As Kryceck was still talking the elevator starts moving. Kryceck is alarmed and starts pulling the stop button but its of no use. He doesnÃ•t even care about his job so he jumps and opens the upper cover of the elevator that leads to the shaft. Closes it back as if nothing happened. him to the hospital by a helicopter. Scully yells it takes off,Ã’IÃ•m a medical doctor. I have to go with himÃ“ but they just donÃ•t allow her. As the chopper takes off the strong winds produced by the fans blow Scully's tears away. While the FBI was searching the building they find cancer mans hide out and arrested him on counts of kidnap. Kryceck gets away. At the hospital they are operating on Mulder and Scully's out side restless .Skinner rushes in and asks, Ã’What happened here agent scully?Ã“ As soon as Skinner asks that question Scully breaks out. Skinner holds her comforting her. "He found Samantha" said Scully. Wenow have proof to put these sons of bitches awayÃ“ Ã’Where's SamanthaÃ“ Skinner asks. Ã’Samantha was found dead sir. Her body is the only proof we have and have been looking for, for 5 years. Proof that I donÃ•t know how Mulder's gonna live with sirÃ“.adds Scully. It's as though he finally proved the truth was out there and on the other side had to pay dearly for it by loosing the only thing that kept him going on through all these years. Skinner look down in frustration. Doesn't know what to say.Ã“ Where's Mulder?Ã“ he asks and the doctor comes out. He doesnÃ•t look too happy He approaches them and says. We were able to get the bullet out. But there's a massive infection and too much damage was done. Too much internal bleeding and external isnÃ•t gonna promise you anything. He slipped in to comatose right after the operation.We did all we can right now and will keep on doing our best but it all depends on him and his defense system. Scully hopeless and weary just sits on a chair looking down in deep thought. Then she sat straight up with an angry look on her face and in a hurry she paced out of the hospital. Skinner caught up with her stopped her Where are you going agent scully? Ã’I have an autopsy to perform.Ã“ said scully. Ã’You are in no condition to work agent Scully.Ã“ ads Skinner. Traces of the same cancer she was infected with. Irregular elements in her DNA and cuts all over her body. Then Scully takes the recorder and says Ã’Mulder I was eager as you were to find the truth... but we both had different reason. You had your sister and I wanted to put away the men who indited me with my disease and made a lab rat out of me. Mulder I never thought Samantha was gonna justify my reason. Mulder I truly believe she was the Lamb Slated to justify both of our causes. Scully gets back to the hospital and Skinner shows up there. Ã’What are you doing here sir?Ã“ she asks. Just keeping an eye on him. Ã’How is he doing?Ã“ asks Scully. Skinner nods his head in a negative way and says ,Ã“ The doctor just gave me his latest report. ThereÃ•s no improvement what so ever. Scully heÃ•s getting worse by the hour.Ã“ Scully rushes in to Mulder's room sit right next to him and saysÃ’Mulder I know you can hear me. We made it! We finally have hard evidenceÃ“ . She holds MulderÃ•s hand and says "Mulder come back. Please donÃ•t..... " At that point it struck to her that her partner and best friend could really die. She just couldnÃ•t take it any more and releases her tears of hopelessness and falls asleep at MulderÃ•s side. It's 5:00 am. and a faint noise reaches ScullyÃ•s ear. Then again . She slowly opens her eyes to realize Mulders fingers barely holding her hand. She looks up to see Mulder with weak eyes looking at her. She jumps up removes his respirator and kisses him softly. Ã’ You can finally have the chance to the thing you most wanted to doÃ“ continues Mulder Ã’ Mulder I always want to be with you.Ã“ adds Scully. Mulder stops talking for a while. Scully can see that he is preparing to say something. Ã’ Scully... I have fulfilled my dreams and now it's your turn Scully. ItÃ•s just not fair for youÃ“ . He slows down a bit and continues Ã’The truth has set you freeÃ“. He looks at her for a while. His eyes cant focus anymor. He gathers his a few words together and says,Ã’I'm ta..so..ti..so tieredÃ“.
